Scrisoare de intentie

In atentia dnei Presedinte a Colegiului Medicilor Bucuresti

Stimata dna Profesor Catalina Poiana,

In contextul viitoarelor algeri ale conducerii CMB, va rog sa considerati prezenta scrisoare de intentie in sustinerea motivatiei de a ma angaja cu responsabilitate colegiala in acest proces electoral.

In calitate de medic chirurg, imi desfasor activitatea in Ponderas Academic Hospital, Bucuresti unde ocup functia de Director Medical, coordonand activitatea medicala din acest spital clinic multidisciplinar. Deasemenea, sunt profesor asociat al Universitatii de Medicina si Farmacie Carol Davila si Directorul Centrului de instruire *Surgical Training Institute* din Bucuresti.

In ultimele decade am fost implicat in dezvoltarea chirurgiei miniminvazive gastrointestinale in Romania, in mod particular chirurgie metabolica, prin abord laparoscopic si robotic. In acest sens, am fost ales in conducerea diferitelor societati profesionale din tara si strainatate (ARCE, RSMS, SRCP, EAES, IFSO, UEG) si am fost implicat activ in numeroase programe educationale in acest domeniu.

Deasemenea, anterior, am fost ales si onorat sa fac parte din Consiliul CMB si reprezentant in AG a CMR, contribuind la asumarea unor decizii importante pentru comunitatea noastra profesionala.

Apreciez modul in care CMB isi indeplineste rolul esential de for profesional al medicilor si doresc sa contribui cu experienta acumulata la acesta sarcina importanta. Doresc sa ma implic in evaluarea si luarea deciziilor CMB, favorabile colegilor intr-o perioada de transformare institutionala, a evolutiei tehnologiei medico-chirurgicale si inteligentei artificiale, dar si a provocarilor economico-financiare la care este expusa profesia noastra. Nu in ultimul rand sunt motivat sa contribui la imbunatatirea cadrului legislativ in care ne desfasuram activitatea dar si la accesul colegilor la educatie medicala continua, toate cu impact semnificativ asupra calitatii actului medical din Romania.

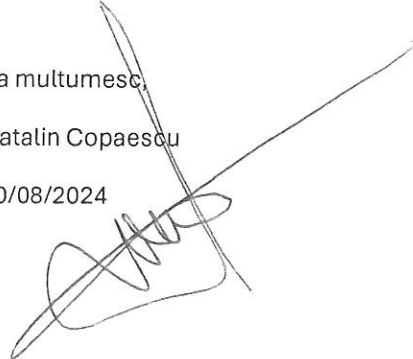

In acest context , intentionez sa imi depun candidatura pentru Consiliul Director al CMB si pentru a reprezenta colegiul nostru in Adunarea Generala a CMR.

Atasez prezentei scrisori un CV al cărui continut cuprinde în detaliu activitățile științifice și educative la care am facut referire mai sus.

Va multumesc,

Catalin Copaesou
